ZABUDOWA OKNA 1:25

Architectural drawing of a building facade. The drawing includes a roof with a chimney and a dormer window. A technical annotation in the top left corner reads: "ODDYMIAJĄCE OKNA DACHOWE 2x 78x140 Acz = 1,06 m²". Two lines from this text point to a small square on the roof, indicating the location of the roof windows. The facade below shows several windows, including a large rectangular window and a smaller one to its right. A red stamp is visible on the right side of the facade, partially obscured by the drawing.
